

Determine ring size

To determine your ring size, it is important to use a ring that fits well around your finger.

1. Place the well-fitting ring on one of the circles below.
2. The **circumference of the inside of the ring** must be equal to the **circumference of the circle**.
3. Does your ring come between two sizes? Then use the largest ring size.

Ring size	48	49	50	52	53	55	57	58	60	61
										
Circumference	15,3 mm	15,6 mm	15,9 mm	16,6 mm	16,9 mm	17,5 mm	18,1 mm	18,5 mm	19,1 mm	19,4 mm

Ring size	63	64	66	67	69	71	72	74
								
Circumference	20,1 mm	20,4 mm	21mm	21,3 mm	22 mm	22,6 mm	22,9 mm	23,6 mm
